Reporting Updates

Amanda will be having a Webinar on OSTLMS Data Entry Please see information below

21st CCLC- Fall 2012
OSTLMS Data Entry V

Evaluation Committee; if you are interested in helping review our evaluation process for 21st CCLC, please e-mail me to let me know that you would like to be on this committee. I am working on setting up the meetings and realize that there will be travel involved.

Handbook Committee; I will be sending information on meetings regarding the handbook. I would also like to send out requests to the other state agencies to see if they have handbooks.

Program Highlights

The conference evaluations are back and what a great response!! It looks like the conference will be in Missoula next year. The round tables, displays and sessions were a hit!

During the conference I had some VIP people attend the evening session on Tuesday. They were quite impressed with what you all are doing around the state. These MT. Ambassadors have agreed to fund our programs with a "A World in Motion program". All our sites will receive training and kits from "A World in Motion". Please check the web site out at <http://www.awim.org/>

Thank you all you for making this happen. Your displays were amazing, and you helped make this collaboration with MT. Ambassadors possible.

Professional Development

Please consider attending the MCAN conference and having a parent night on Graduation Matters with parents and students, **Scholarships are available!!!**

Career Development

Fwd Scholarships for MCAN conference
